Searching out Surrey's best boutiques...

FINDING your perfect fitting bra, and especially one that also offers sensuality, style and good support, is never an easy task. Well, now your search is over!

We recently discovered Leia, an independent lingerie boutique in Richmond (opposite Ted Baker), which stocks beautiful feminine brands such as Freya, Fantasie, Fauve, Chantelle, Huit, Simone Perele and Elomi.

From September, they will also be stocking A-JJ cup sizes to K cup and they cater for women measuring 28in to 52in back sizes.

"We want British women to celebrate their assets," says Cleo Andrews, head of retail. "There is no such thing as the average body shape. We want women to be as comfortable getting themselves fitted for the right size bra as they would be for getting their eyes tested for the right lenses."

>> TOP TREND for... September

A KNITTED dress is a gorgeous transitional piece to see you through the colder days and nights this autumn. Combine with sheer, coloured, lacy or patterned hosiery and chunky feminine accessories to create a modern statement outfit.

Three places to get it:

- Courtyard, Reigate
- Ordri, Farnham & Guildford
- Lily, Haslemere
