Chantelle Znideric reports on where you can track down the latest seasonal trends in Surrey

Wedding belles

HAVING recently received piles of fashion dilemmas about what to wear on 'the big day', there's no denying that it's officially wedding season!

Finding your perfect wedding outfit, whether you are the bride, groom or guest, can often be a bit traumatic, especially if you don't know where to start looking.

To make the process a little easier for you, this month I'm featuring some of Surrey's finest wedding fashions, and even giving one lucky reader the chance to win her very own wedding outfit!

First choice for outfits

Turning up to a wedding and spotting someone else in exactly the same outfit is the stuff of nightmares!

Turning up to a wedding and spotting someone else in the same outfit is the stuff of nightmares!

To avoid any chance of this happening, I would suggest visiting one of the county's many excellent boutiques where you can be sure of picking up something a little different from the usual high street fare.

To get you started, here are my five favourite boutiques in Surrey for wedding outfits ...

Anya 60 High Street, Haslemere
Courtyard 5-6 Angel Gate, Guildford
 (Shops also in Petworth and Reigate)
Serendipity 52 New Road, Chilworth
Fashion Enter Unit 2, North End Mall,

Centrale Shopping Centre, Croydon
Little London 11 Angel Gate, Guildford

Add a bit of sparkle

The beautiful wedding jewellery made by Glass Oyster in Godalming is created from semi-precious stones, freshwater pearls and Swarovski crystals. The pieces are sure to add glamour to any outfit – be it the bride, bridesmaid or mother of the bride.

"I'm so pleased with my new collection, which has been inspired by nature and features stunning flower and leaf motifs," says owner Gail Jones, who handmakes each piece to order. "My bespoke design service means that my clients can customise their own pieces to harmonise with their individual wedding and colour themes making every piece truly individual."

A selection of jewellery is displayed at Evangeline Rose in Godalming or to see the full collection visit www.glassoyster.com.

Magnificent menswear

Here's something for the English gent who's got it all...

Scabal, located in both Worcester Park and Mitcham, manufacture what I believe to be the finest ready-to-wear menswear in Surrey, perfect for weddings.

They take individuality to the next level by adding your wedding date, or names of the bride and groom on their suits, replacing where the pinstripes would normally be. Now there's no forgetting your big day or first anniversary for that matter!

To view Scabal's latest spring collection, visit www.scabal.co.uk.

If you are our lucky winner, you could win a lovely wedding outfit from Looking Glass
